

LED High bay light is energy saving solution compared with the conventional sodium and metal halide lamps. The saving is more than 60%. Excellent effect, appearance, verity of colour options, simple installation, ease of maintenance, and excellent life time of 50,000 burning hours. It is 10 times better than conventional light source.

Applications : Widely used in factory, Basement, warehouse, Parking lot and other high- grade lighting areas.

General

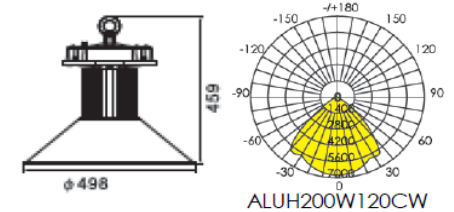

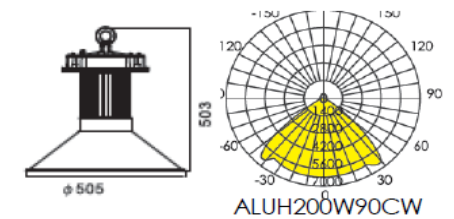

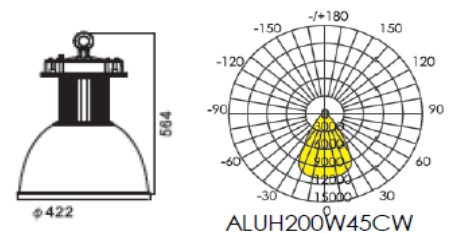

Weight	3-8
Voltage	100-240 AC 60HZ
Certification	CE, ROHS
Warranty	3 Years
IP Rate	IP 65

Performance

Colour Rendering	Ra > 70
Longevity	50,000 hours
Power Factor Cos	0.9
Exit Lumens	12900-15150 lm

Available Options

Wattage	50W-300W
Colour	2700-7000K
Body	Die-casting aluminum

Model Number	CCT	Light output (± 10%) lm 45°	Light output (± 10%) lm 90°	Light output (± 10%) lm 120°
